According to Super Lawyers, “Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis. The objective is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel.” Only 5% of attorneys are selected to the Super Lawyers list and only 2.5% are selected to Rising Stars. Candidates are eligible for Rising Stars if they are under the age of 40 and have been practicing for less than 10 years.

“As with all of the firm’s attorneys, those recognized by Super Lawyers this year are dedicated to finding creative solutions to clients’ issues while striving to provide the highest level of service.” commented Managing Partner Barry Szaferman. “It is a privilege to work beside them as part of the Szaferman Lakind team. I would further like to congratulate Brian Paul on his inclusion on the Top 100 Super Lawyers list in New Jersey.”
